fastvue

Fastvue for Business

Send scheduled reports to Department Managers and HR detailing their staff's Internet usage.

Fastvue for IT

Easily discover the **firewall features and policies** responsible for allowing or blocking specific traffic.

fastvue

Would you know if a user searches for "easiest way to kill myself"?

Real-time alerts

Sending alerts on any traffic, such as online searches for keywords, visits to unacceptable content or extended time on unproductive sites.

fastvue

Can you easily send internet usage reports to non-technical people?

Internet usage reports

Sending simple reports to non-technical audiences such as HR, Department Managers, School Principals, Teachers, Pastoral care, or employees themselves.

fastvue
